

COVID-19 SAFETY PLAN

This Covid Safe Plan is current as at 2nd of November 2021.

Overall Guidelines:

- You must observe all Public Health Orders and the COVID-19 Plans of the Drummoyne Sailing Club (DSC) at all times and in priority to this plan (in the case of inconsistencies).
- All Participants, coaches and instructors 12 years old and over must be fully vaccinated
- If you, your skipper, your crew or anyone close to these people:
 - develop symptoms of fever, sore throat, dry cough, or fatigue.
 - have attended any of the reported case locations listed on the NSW Health website
 - are waiting on a Covid19 test result, or
 - are required under the Public Health Orders to self-isolate.

you are not permitted to attend DSC nor participate in any sailing or training activities. If a boat is unable to race in an organised competition as set out above, the boat will be awarded average points.

- It is the responsibility of all skippers to have ensured all crew members sailing on their boats are double vaccinated while racing with the club
- When boarding the tender on at Twilights, everyone will be required to show the current vaccination certificate to a COVID Marshal. This can be connected to Service NSW App.
- It is the responsibility of all skippers to collect and retain for 28 days the details of all crew sailing on their boat. These details be able to be produced for contact tracing if required.
- All Volunteers on support boats must be fully vaccinated.
- As far as practicable please keep 1.5m apart at all times.
- DSC will maintain a register to collect contact details (full name and either phone or email) for all sailors, officials, parents/carers and spectators attending the training or sailing. This information will be passed onto NSW Health in the event that it is required for contact tracing. DSC are required to keep these details for 28 days.
- Use hand sanitiser and wash hands regularly. Hand sanitiser will be available for all sailors and spectators.
- All shared boats must be thoroughly washed down after use. Boat wash and sanitiser spray is available at the entrance to the boat shed. Control surfaces must be sanitised after each use.

Clubhouse:

- All attendees are required to provide contact details via the Service NSW app. Registration facilities will be available at the main entrance and at the Sailors lounge on the lower car park level. Please leave adequate time for this. Hand sanitiser is available in the foyer and in the Sailors Bar.
- Tables will be spaced apart in accordance with the Covid-19 plan of DSC and capacity will not exceed one person per four square meters.
