## Attachment 2

### ARBITRATION

#### T1 POST-RACE PENALTIES

Provided that rule 44.1(b) does not apply, a boat that may have broken one or more rules of Part 2 or rule 31 in an incident may take a Post-Race Penalty at any time after the race until the beginning of a protest hearing involving the incident.

A Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c). However, rule 44.1(a) applies.

A boat takes a Post-Race Penalty by delivering to the arbitrator or a member of the Protest Committee a written statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

#### T2 ARBITRATION MEETING

An arbitration meeting will be held prior to a protest hearing for each incident resulting in a *protest* by a boat involving one or more rules of Part 2 or rule 31, but only if each *party* is represented by a person who was on board at the time of the incident. No witnesses will be permitted. However, if the arbitrator decides that rule 44.1(b) may apply or that arbitration is not appropriate, the meeting will not be held, and if a meeting is in progress, it will be closed.

#### T3 ARBITRATOR'S OPINION

Based on the evidence given by the representatives, the arbitrator will offer an opinion as to what the Protest Committee is likely to decide:

- (a) the protest is invalid,
- (b) no boat will be penalized for breaking a rule, or
- (c) one or more boats will be penalized for breaking a rule, identifying the boats and the penalties.

#### T4 ARBITRATION MEETING OUTCOMES

After the arbitrator offers an opinion, a boat may:

- (a) take a Post-Race Penalty, or
- (b) ask to withdraw her protest.

The arbitrator may then act on behalf of the Protest Committee in accordance with rule 63.1 to allow the withdrawal. Unless all *protests* involving the incident are withdrawn, a protest hearing will be held.
